

Policy A01 Vision, Mission & Values Statement

The purpose of this Policy is to define the cultural base and ethical values upon which all of our organisation's policies and procedures are embedded and developed.

1.0 THE ORGANISATION – VISION, MISSION & VALUES STATEMENT

1.1 OBJECTIVE OF THIS POLICY

- This policy statements act as an ethical guide in the development of policies and procedures and to define the attitudes and behaviour of all organisational stakeholders.

1.2 POLICY

This policy outlines the:

Vision Statement – how the organisation would like to see the future for our communities

Mission Statement – what the organisation will do to achieve this vision

Values Statement – the ethics that will determine how we carry out our mission

1.3 Vision Statement

Everyone in our community finds 'A Way to Stay'

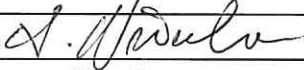

1.4 Mission Statement

Scope Home Access will help people find 'a way to stay' in the homes and communities they choose

1.5 Values Statement

Scope Home Access places high value on: Trust, Quality, Dignity, Positivity, Innovation and Accountability
